

RAVENS HOPE CAMBODIA PARTNERSHIP REQUEST

WHO WE ARE

- i** Ravens Hope Cambodia (RHC) is a US-based 501c3 which operates under the leadership of ROMONY SIN and a board of directors, with associates in the USA and Cambodia. RHC handles day-to-day operations in Cambodia in partnership with Ravens Hope International (RHI), a separate organization founded by leadership expert, speaker, life coach, and author, KAREN ROBINSON, in 2013.

WHAT WE DO

- i** RHC operates a 12-month core learning program, changing the lives of young women ages 18-30 who have limited resources and various life challenges, through leadership development, life skills training, practical application, spiritual growth, and community service opportunities in Cambodia. With the partnership of RHI, certain RHC students may also apply for an 8-week, advanced internship in the USA.

Previous graduates serve as Big Sisters in the small groups used to teach, train, and motivate current students through monthly meetings. This provides additional leadership training and practice for the Big Sisters; and they are overseen by mentors themselves. The current students have a set course of study called "Come Forth," a 12-session training which provides a clear view of where we've been, where we are now, and where we're going. When students realize who they are in Christ, it is life-changing.

WON'T YOU JOIN US?

We register 50 new students each year. We do all this on \$15,000 / year.

You can sponsor 1 student for \$300/year (or \$25/month) and change the course of a life.
