ABOUT ME

I live in Sunny San Diego, California. I have 4 kids (2 daughters and 2 sons). I absolutely love watching movies, the cooking channel, going to the beach to watch the sunset and the mountains as a part of my personal therapeutic time. I am passionate about helping others to discover their own light through the process of self-discovery, self-awareness, self-acceptance, becoming responsible/accountable, developing goals and taking action toward the fulfillment of their purpose, dreams, desires... Above all, I love loving others to life!

PROFESSIONAL BACKGROUND

I have over 24 yrs in Information Technology (spanning from being an admin, developer to senior management), 14 of those years of being a certified Agile Scrum Master Leadership Coach to technical teams. I am the founder of a certified 501c3 organization of 19 yrs and an International certified Personal/Leadership development Coach that inspires women with a special focus on Mothers, especially Teen Moms. I am also an international best selling author with a trademark on a brand that inspires others to be exactly who they are destined to be as they go through the stages of self-discovery to taking action toward their purpose, dreams, desires...
